ALL YOU NEED FOR K-12. ALL RIGHT HERE.

SERVING LINES | DROP-INS | FOOD GUARDS | ACCESSORIES

From managing labor challenges to staying on top of menu trends, operating in K-12 foodservice is no joke. That's why every piece of equipment we make is handcrafted, battle-tested and ready to perform for decades.

CUSTOM SERVING LINES

INFINITI

Our fully custom serving line doesn't just provide a one-of-a-kind solution tailored precisely to your specifications. It makes a statement every chance it gets.

MODULAR SERVING LINES

INFINITI FIT

Our top-shelf modular line features premium touches like 16-gauge stainless steel tops, hidden-frame fronts and lots of customizable add-ons. It's a high-end performer with striking aesthetics.

BL SERIES

With units that are consistently hard-working and always good-looking, the mid-grade BL Series falls in the sweet spot for many K-12 customers. Exposed-frame carts are crafted with aluminum and can be outfitted with various panel choices.

CA SERIES

Meet the ideal entry-level line. The CA Series is available in stainless steel or aluminum and offers simple features that will provide years of reliable service.

DROP-IN UNITS

"We don't get a lot of funding to spend on equipment, so when we purchase it, we want to buy products known for their longevity, from a company that anticipates and knows our needs. That company is Atlas." – K-12 Operator

AT ATLAS, HANDCRAFTED PRODUCTS ARE JUST THE START.

Our hands-on approach holds true in everything we do—at our manufacturing plant in Miami, with our 99-point quality assurance process, and most importantly, in how we treat you.

For more than 50 years, our family-owned company has built a reputation for paying close attention to every detail and every customer relationship. It's evident in our two-year parts and labor warranty for K-12 schools, and in our commitment to being there for you in the same way you're there for your students.
