**SNEEZE GUARDS**

NSF-2011 Compliant

**PROTECTOR CASE  
FULL SERVICE**

**PRC - SERIES**  
**With Stainless Steel  
Top Shelf**

**SPECIFICATIONS**

The top shelf is constructed of 16 gauge stainless steel and the uprights are constructed of 1" square stainless steel tubing, all welded construction, ground and polished to a uniform finish. The unit includes a front panel and (2) end panels of 1/4" tempered glass with seamed edges. The front panel is full length angled to meet UL listing. All glass is supported by stainless steel clamps which are bolted to the frame. Unit is supplied with stainless steel flanges for ease of mounting to any counter top.

*Specifications subject to change without notice.*
